

Annita Enterprise Co. Ltd.

Transformers, adapters, chargers and power supplies

BCP Technologies, Inc. / Astroid Tech Inc.

PCBs: Single and double sided, multilayer up to 16 layers

BEAR
POWER SUPPLIES
www.bearpwr.com

Bear Power Supplies - Rugged AC/DC power supplies for commercial, industrial and medical systems. Design encapsulates inrush current limiting, fusing and EMI filtering in one compact module.

Hong Yuen Electronics Ltd.

Flexible PCBs, 1 – 12 layer rigid PCBs

Huan Hsin - Wire and cable, telephone cords, power cords, custom cable and cord assemblies, USB, LAN, and Cat. 5 cables. Hard tooled precision metal fabrication. Plastic injection mouldings.

毅嘉科技股份有限公司
ICHIA TECHNOLOGIES, INC.

Ichia Technologies, Inc. – Keypads: conductive rubber, polyfilm, plastic keycaps and mouldings, domes, custom keyboard assemblies

Landsfair Technology Corporation - Manufacturer of magnesium alloy die casting parts for 3C industries

Plastron - Connectors: board to board, memory card, headers

Tak Lee Rubber & Metal Manufacturing Ltd. - gaskets, o-rings, insulators, heat sinks, fabrications, stampings, cases & assemblies.

Triad Magnetics - Power magnetics, switch mode high frequency transformers, inductors, choke coils, power transformers, audio transformers, surface mount power inductors, wall mounted plug-ins

Xmultiple Technologies

RJ11 / RJ45 / RJ47 connectors, COAX connectors, cables, wall plates – with and without LEDs.
